

Dear friends,

Surely in your life too, some seemingly unlikely event played out and after the fact of that, you said these words: **“Who Woulda Thought it Possible?”**

That's what Peter most likely said on several occasions during the course of his life as well. In this week's sermon we look at several occasions where this happened to Peter and see how we join Peter in this regard.

Please watch (or merely listen to) the sermon delivered at Zion this past Sunday (Feb. 10th) and see if there are other areas of your life where you can exclaim those words!

Yours in Christ Jesus, our Savior,
