

Dear friends in Christ Jesus,

This past weekend Rev. Ron Weidler came to Zion to be our guest preacher. Pr. Weidler represents the special ministry known as *Enviando* in our Northern Illinois District. *Enviando* is the Spanish word for “sending.”

The work of *Enviando* is to provide basic theological education to both men and women. From there, they can formally receive further education at an established LCMS institution leading to be a pastor or deaconess. Thus, this ministry has as its goal to begin the process of “sending” more and more into the world to tell the Good News of Christ Jesus crucified and risen from the dead for the redemption of fallen mankind. The main people groups to which they are “sent” are to those for whom Spanish is their native language.

We have no written sermon notes to post here this week. However, here’s the link to watch the sermon on Zion’s YouTube channel: <https://youtu.be/plwXEpQfSyM>

Yours in Christ Jesus,
Pr. Ron Rock
